PUBLIC COMMENT: Alex Stankovich from Carlisle Wortman suggested that we should consider having an annual report for the Planning Commission. She mentioned that this is standard in most townships and that she could prepare it for us. Having such a report is the now the law. Additionally, she asked if we had Bi-laws for the Planning Commission. We indicated we thought we did although none of us had a copy of them with us. She indicated she would talk with the township clerk to obtain a copy of the Bi-laws. She reminded us that we have staggered 3 year terms as Planning Commission members. It might be nice for us to include that information in a written document so we are aware of when our appointments expire.

OLD BUSINESS: None

NEW BUSINESS: We established our meeting dates for 2016. These will need to be publically posted. All meetings begin at 6:00 p.m. in the township hall. If needed we can hold additional meetings as matters come to our attention.
